

THE EPISCOPAL DIOCESE
OF MARYLAND

ANNUAL
MINISTRIES
APPEAL

ABOUT THIS APPEAL

This year 16 different ministries will be supported as a result of the Annual Ministries Appeal. Formerly the Bishops' Annual Appeal, the Annual Ministries Appeal is an opportunity to support the ongoing work of each of these ministries. A gift to the Annual Ministries Appeal means a week at camp for a child who may have an incarcerated parent or be suffering with sickness. A visit with a chaplain for someone at Johns Hopkins Hospital. A summer of mentoring and learning life skills for a Baltimore city high school student. A meal companionship and a place to talk about faith and doubt for a college student. Plus, many more life-changing encounters, services and support throughout the diocese to give and to find out more information about each of this year's ministries visit www.episcopalmaryland.org

“ Through the new Annual Ministries Appeal, we will continue to spread Christ's love, hope and mercy to a hurting world. ”
