

THE DIOCESE OF MARYLAND

ROBERT W. IHLOFF FUND FOR CONGREGATIONAL DEVELOPMENT

Nomination Form and Instructions

Receipt Deadline: March 15, 2017

Program Description

The Robert W. Ihloff Fund for Congregational Development is a discretionary fund administered by the Bishop of Maryland, created to promote efforts in congregational development in honor of and thanksgiving for the work of The Right Rev. Robert W. Ihloff, the thirteenth Bishop of Maryland.

Grants support efforts to grow healthy and vital congregations in the following areas:

- 1- **New Church Development/Redevelopment of existing congregations:** Planting new churches and/or redeveloping existing congregations which have been in decline for several years or are undergoing significant change in demographics.
- 2- **Small Church Development:** Churches with an average Sunday attendance of under 75 that are stable, declining or growing
- 3- **Stewardship:** Developing programs that help congregations carry out the work God is calling them to do; especially congregations that make use of excellent existing Stewardship programs offered through the Episcopal Foundation and other resources.

Grants may:

- be given to congregations to assist them with major development or redevelopment of all program areas
- be used for funding conferences and educational events which support diocesan goals and objectives
- cover fees for consultants
- support diocesan programs or committees which promote congregational development
- be used to acquire resources for congregational use throughout the diocese

Award Information The total amount available each year is variable and is set by the bishop. Past awards have usually been in the range of \$10,000 for one year and typically 1- 3 grants are awarded each year. The awards are for a twelve month period with disbursements made in September and January. Awardees may apply for a second year of funding for the same program; however, nominations for second- year funds are considered in competition with all new nominations. Renewal of awards for additional years is at the discretion of the Bishop.

Eligibility Nominations may be submitted by a congregation, a Diocesan committee or organization, a member of the bishop's staff or by the bishop himself. Nominations submitted by congregations must demonstrate a period of discernment and preparation, should show how the congregation has consulted with diocesan staff members, and demonstrate a broad-based acceptance and support from the baptized members for the proposed initiatives.

Congregations and Diocesan committees or organizations may each submit only one nomination to this program each year.

Late, incomplete, ineligible or otherwise non-responsive nominations will not be reviewed.
