2019 DIOCESAN ENDOWMENT GRANTS FOR MINISTRY

Grant Application Form and Instructions

Submission Receipt Deadline, Thursday, March 28, 2019

Overview:

The Diocesan Endowment Grants for Ministry Program provides funds of up to \$10,000 per year, per applicant from special endowments to support the **establishment** of projects undertaken by Parishes or Regional Councils of the Diocese of Maryland. The purpose of these grants is to provide partial financial support to **new initiatives** to assist them for up to their first two years, after which they are expected to be self-supporting. An initiative may not be re-introduced after the two years, even under another title or sponsored by a different entity (parish, regional council, etc.).

- Awards are made to **create new ministries or take existing ministries in new directions** in the areas of:
 - 1-Congregational Development
 - 2-Ministry of the Laity
 - 3-Ordained Ministry
 - 4-Social & Outreach Ministry
- These grants are not intended for the support of ongoing efforts but may only be used for the first two years of a program or project.
- The grant applications must show that the proposed program or project will fall under at least one or the four designated areas listed above.
- The application must include realistic goals; a well-researched budget and achievable milestones in support of those goals. A method of evaluation must be described.

Award Information:

- Awards are for a maximum of \$10,000 per recipient, but funds are limited so grants may be partially funded.
- Funding comes from endowments with monies set aside for Congregational Development, Ministry of the Laity, Ordained Ministry and Social & Outreach Ministry so it is imperative that your grant request falls within at least one of these categories
- Awards are made for one year and are given out in two installments, ½ in July and ½ in January. Awardees may apply for a second year of funding for the same program; however, applications for second-year funds are considered in competition with all new applications. Second year funding is not guaranteed.
- Applicants are encouraged to use cost sharing to help reduce the amount requested. Cost sharing consists of sharing expenses with another entity or contributions made to the project by the applicant and third parties including donated services and goods. Please include any cost sharing information on the budget sheet. You may also make notes as to donations of time and skills.
- Eligibility is limited to parishes, separate congregations or mission congregations in the Diocese of Maryland (hereafter referred to as “parishes”) and regional councils of the Diocese of Maryland. Individuals or Episcopal related agencies are not eligible to apply. Parishes or regional councils may each submit only one application to this program each year. They may apply the following year for a new program or funding for an existing program with new elements. When two or more parishes or councils collaborate on a project, one of them must serve as the lead applicant and administer the grant on behalf of the others.
- Applications that include salaries or capital expenditures such as equipment or improvements and repairs to Church property are not eligible unless the application clearly demonstrates how they are necessary to carry out the intended program.
- **Late, incomplete, ineligible or otherwise non-responsive applications may not be reviewed. Applications must be received in one PDF file by Karen Stewart on or before Thursday, March 28, 2019 at noon.**

Application Review Information

Each application will be reviewed using the following scoring criteria:

Does the project address an unmet need in the parish, region or diocese by doing something new or doing something in a new way? - 3- The feasibility of the project (20 points)** Is the project conceived of and structured in such a way that the goals and objectives will be carried out within one year? Is there a clear list of tasks and work to be accomplished to meet project goals? Are there enough resources

assigned to the project for the work to be accomplished? Does the project have adequate oversight to ensure that timelines and goals are met, obstacles identified, and solutions implemented in a timely, responsive fashion? Are there structures in place to ensure that project participants are accountable for meeting goals and timelines?

Application Selection

Grants will be reviewed by the Diocesan Grants Committee which will make recommendations to the Bishop and Diocesan Council at the May-June meeting. Final funding decisions for The Diocesan Grants for Ministry are made by the Diocesan Council. Ihloff Grants have their own application process and final decisions on the Ihloff Grants will be made by the Bishop

Award Administration Information

Project funds will be transferred to awardees as follows: Half of the awarded funds will be transferred **when the award papers issued by the Comptroller have been signed and returned**. The remaining funds will be transferred after the acceptance of the mid-year progress report, as detailed below.

Awardees may incur award expenses up to 90 days in advance of the project start date and may use awarded funds for the reimbursement of valid, budgeted costs that have already been incurred during the project period. **It is the responsibility of awardees to maintain a liquid cash flow to meet program expenses within the scheduled transfer of award funds from the diocese.**

Funds may not be reallocated without prior written approval from the Comptroller and the Chair of the Diocesan Grants Committee. If funds are not expended by the end of the project year (August 31st of the year after the award is received), awardees must report on how the funds will be used within a reasonable period. If the funds are not needed, they must be returned to the Diocese. Any returned funds are awarded to future projects. Please note that grant monies must be reported as revenue on your Parochial Report. For questions about this matter, contact the Diocesan Comptroller.

Reports must be made at **MID-YEAR** and at the **END OF THE YEAR** according to the guidelines. A blank report for both Mid-Year and End-of-Year will be sent with award notifications and are included below. These forms, along with any other information you wish to share, should be submitted by January 31 and July 1st of the year following the award date.

Note: Continued funding of awarded projects and eligibility for future awards is based on prompt submission of required evaluation reports. Failure to submit these reports can result in the withholding of awarded funds, the forfeiture of the award, or ineligibility to apply for future awards.
